

Guidelines for Open Burning

- Materials to be burned include only limbs, leaves and natural vegetation;
- No garbage is permitted to be burned;
- No construction debris is permitted to be burned;
- The burn pile cannot exceed six (6) feet in diameter and six (6) feet in height;
- The burn pile must be a minimum of fifty (50) feet from any structure, preferably one hundred (100) feet;
- The burn pile must be at least twenty five (25) feet from any neighboring property lines;
- Do not burn on a windy day;
- The burn pile must be away from other brush, weeds and combustible material;
- The burn pile must be in reach of a garden hose;
- The burn pile must be extinguished at sun down;
- The burn pile must be extinguished if any neighbors complain about smoke;
