Of all the characters in the Bible, perhaps Joseph is the best parallel to the character of Jesus that can be found. During a time of an "eye-for-an-eye and a tooth-for-a-tooth" mentality, Joseph's story of forgiveness and integrity has made this Bible story a timeless truth, inspiring generations of men and women to walk uprightly in the midst of great temptation. Sight & Sound's depiction of this classic story will magnify the many qualities that make this story appeal to all ages. Experience a cast of 45 professional adult and children actors, dozens of live animals gracing the aisles, several amazing dream sequences including Joseph in his colorful coat "flying" over the audience, larger-than-life staging which includes a spectacular Egyptian palace scene spanning 300 feet and wrapping around three sides of the audience, plus, twenty original songs. Inspired by Joseph's colorful coat, we have a vision to implement a brilliant color scheme into every fabric of this production including the music, the costumes, the lights, the special effects, sets, and more.
