

# Philadelphia Flower Show with George Weigel

## "The Electric Garden"

Weds., March 8, 2023

### ITINERARY

The 2023 "Garden Electric" theme is "meant to encompass the feeling of magic, celebration, and awe we get when we encounter gorgeous flowers and gardens," said Seth Pearsoll, PHS's director of design. "We are creating a truly immersive experience for guests centered on bold, eccentric, vibrant, color pairings... and an element of surprise that will ignite a sense of wonder and excitement in our guests." He added that the 2023 indoor show will have a new look and layout, taking into account some of the elements that visitors said they liked outside.

The trip includes transportation to and from the Pennsylvania Convention Center, show ticket and on-board show tips and gardening tidbits by garden writer George Weigel.
