

West Hanover Township - Volunteer Positions Application

West Hanover Township has a variety of committees, boards and special task forces comprised of citizen volunteers. During the year, there is often a need to find interested citizens to fill vacancies on boards, or to find volunteers for "one-time" park programs, special community events, or "short term" assignments on special task forces and study groups. In order to better facilitate locating volunteer minded citizens, the Township maintains a "Volunteer Resources" file on citizens interested and willing to serve the Township. If you are interested in getting involved, please complete the form and return it to the Township. **Thank you!**
