- Recycling Grant Presentation. Mr. Kepler said that our Township is continuing to grow. There is a grant for equipment for recycling; allowing you to expand current recycle efforts. Current grants are between \$250,000.00 and \$350,000.00. The grant is 90/10; DEP pays 90% and the Township pays 10%. Mr. Kepler said that he is willing to work with us any way he can. Mr. Megonnell told Mr. Rosario can get with Mr. Harman and talk about a grinder for organics. Mr. Steinmeier asked if you could get grant money every year. Mr. Kepler replied, no, you would qualify every other year. There was discussion on what projects you could use the money on, how sustainable they were. Mr. Megonnell told Mr. Rosario and Mr. Kepler to get together. The Supervisors thanked Mr. Kepler for coming out.
 - ZHB Yearly Meeting – Mr. Matt Miller was present. Mr. Matt Miller said that he thinks the Zoning Hearing Board is well rounded and gets good support from staff. Mr. Matt Miller said he would prefer the zoning book to be in a binder, the current book does not allow for updates. Mr. Miller thanked Mrs. Rex for all of her help. It was asked if Mr. Templin would move to the full time slot and then we could look to fill two alternate seats. Mr. Miller recommend that the alternates attend several meetings so they understand the process of the meetings.
