BUSINESS

- EAC / BoS Workshop Meeting - Feb. 20th - John attended and presented the EAC's annual report.
- Central Dauphin Pre-App Meeting — Feb. 22nd - The meeting was cancelled and then rescheduled. The preliminary plan was discussed. John noted that for stormwater control, 2 underground filtration structures and 3 detention ponds are planned and that E&S controls will be in place before construction begins. All issues pertinent to the Public Safety Advisory Board have not been resolved yet. The plan goes before the PC on March 22.
- Stormwater Parks - Skyline and Fairville - John wrote a proposed text and Patti sketched a layout for the signs. Photos for the signs will be done when the trees have leafed out. The signs will be ready in early summer.
- Invasive Plants Workshop : March 24th - Final plans were made for the workshop, and advertising was discussed.
- National Night Out Meeting - March 29 - The National Night Out is August 7 and The Hanovers will participate together. A representative of the EAC will attend the planning meeting at the new firehouse at 7:00PM.
- Waste / Recycling Contract - Jay informed the EAC that Waste Management has won the bid for the next contract. Members discussed any changes in the contract provisions and communications with Waste Management about changes in permitted recycling materials. How do we / they inform the residents of any changes in recyclable materials? How much trouble do they have with contamination from prohibited materials, such as rigid styrofoam?
