Workshop Minutes

Supervisors Present: Jay Megonnell, Kyle Miller, Donald Steinmeier

Discussion: Waste Management Offer Letter Discussion

- Mr. Stang said that starting in year #2, the tag customers would receive one (1) mailing of tags, but bill the customers quarterly.
- Mr. Stang said that for the quote, there were at that time: 3,532 cart customers and 430 tag customers. The numbers have since changed.
- Mr. Stang read the letter that he had written to Daniel Rosario, dated September 6, 2018.
- Options for the tag customers:
 - IF the bag tags were reduced to eighteen (18) the cart customers would have a \$0.50 increase per month/effective year two.
 - IF the bag tags were reduced to twelve (12) the cart customers would have a \$0.86 increase per month/ effective year two.
- Options for the cart customers:
 - For elderly and select townhouse/ condo developments, they may have the regular cart service WITHOUT the use of Waste Management's new carts.
 - Those residents named above should contact the Township with their address and the Township will contact Mr. Stang. There will be a \$75/hour charge billed to the Township for this.
- Mr. Stang would prefer if customers are changing between cart/ bag tags – to have it occur on a quarterly basis.
- Mr. Megonnell asked if the smaller size carts were out of the discussion? Mr. Stang replied yes, it would be too confusing at this point.
- The meeting adjourned at 6:51 pm.
