BUSINESS

- Township Newsletter Deadline - Oct. 19 - The Council discussed several possible topics for articles, including a recycling reminder.
- 2019 Projects / Workshops - Manada Creek Conservancy may be able to do a workshop on stream testing, monitoring, and FISH Protocol in a program geared to scouts and youth. The EAC discussed possible locations and a possible date in May. This activity would relate to several scout badges. The Council also wants to sponsor a workshop on invasive insects, their identification and control. Evelyn will contact DCCD and Master Gardeners for possible presenters.
- Stormwater Park Signs - Skyline and Fairville - John will check on the installation at Fairville. The one at Skyline is mounted on the pavilion wall.
- MS4 Stakeholders Committee - Jeff has already volunteered and Marcel is interested in serving on the committee. Its purpose is to discuss how to structure potential MS4 stormwater fees for residents.
- FISH Protocol Report - Marcel provided a hard copy this year's report so the Council members could see the format and type of data that is collected.
- Troop 27 - The EAC voted to donate \$50 to be a sponsor of the Boy Scout Troop 27 annual pancake breakfast on October 27.
- Thirtieth Anniversary of the EAC - 2019 is the anniversary year and the Council members decided to have new shirts made to commemorate the event. Shirts are purchased by the members.
