Board of Supervisor Workshop Minutes
Monday, June 17, 2019

1. Mr. Miller called the meeting to order at 6:00 pm.

The Sewer Authority members present included Mark Salisbury, Tom Stewart, Mike Kreiser, and Joe Sembrot.

Mr. Steinmeier asked if there was equipment that broke last week. Mr. Salisbury said that the equipment was back in service today. Mr. Stinnett said that he will touch base with George Connor to make sure that the Casino grant does not expire prior to all units getting the public sewer. Mr. Salisbury said that each Sewer Permit will cost the residential homes \$4,385. It was said that 20 applications went into Pennvest and only one qualified. Houck Manor will be first to have public sewer installed and Holiday Park following that. Make note to touch base with Brian McFeaters to see what the procedure should be for a sand mound.

Mr. Salisbury had several handouts for the Board and staff that included the Sewer Authority Resolution 2018-A-4, a sewer connection record and a sample sewer connection permit. The Sewer Authority Resolution approved collection procedures and adopted a schedule of attorney's fees and costs to be added to the amount collected as part of municipal claims for delinquent sanitary sewer accounts. This resolution supersedes all prior resolutions for the collection of delinquent sewer accounts.

The workshop was adjourned at 7:00 pm.
